- x Federal partnerships with law enforcement and criminal justice agencies

2) If one or more of these functions was reduced or discontinued, what would be the impact on: (Not all elements may be relevant for your unit. Only address relevant items.)

- a. More students persisting and completing educational goals?
- b. Supporting overall student, faculty and staff success in meeting 8 \$\$\$ ¶ V P L V V L R Q "
- c. , P S D F W V W R 8 \$\$\$ ¶ V U H S X W D W L R Q D Q G D E L O L W \ W students and/or external support?

- a. More students persisting and completing educational goals?
 - x A reduction or discontinuation of the functions listed could result in an increase in crime rates on campus. These increased crime rates could negatively impact both day-to-day and prospective students often consult institutional campus safety reports, consumer reports, and news stories 612 792 re W* n9

the country have been deemed responsible for such breaches and have incurred losses, both financially and to their reputations.

- x Crime data from national criminal justice agencies and Department of Education reporting can affect the institutional reputation of UAA.

3) Identify measures and targets used to monitor the impact of functions on each of the above (not all elements may be relevant for

x FBI - Uniform Crime Reporting (UCR) Information

FBI UCR reporting is included to address theft statistics on the UAA campus. This information is included because data is not addressed within the b

4) What improvements have been achieved over the last five years?

- x The increase of more than 450 security cameras throughout the UAA campus, improving overall safety and increasing the opportunity for prosecution of criminal acts based on video evidence.
- x Implementation of body cameras to decrease the liability to the University, Department, and Officers. This also increases the opportunity for proper case adjudication.
- x Launched two safety Apps dedicated to increase safety communication for the UAA Community
 - o UAA Safe App
 - o RAVE Guardian App, in partnership with Statewide.
- x Implemented additional less-than-lethal options to improve overall safety and reduce injuries and liability.
- x Increased outreach to the community campuses. We have worked with various sites to improve
