

UNIVERSITY OF ALASKA ANCHORAGE
University/Campus Planning Advisory Board

The UAA Campus Planning Advisory Board (CPAB) was created in FY 2020 to strengthen institutional communication, decision making, and transparency.

Charge

The UAA Campus Planning Advisory Board shall provide input for the Chancellor and members of the Chancellor's Cabinet on matters pertaining to guiding principles, policies, and resources which impact students, employees and/or community members UAA experience. CPAB will ensure fulfillment of the UAA strategic plan by reviewing and providing input on policy and resource decisions that are submitted to Cabinet. CPAB's charges and expectations include the following:

- Providing input for UAA's planning and budgeting processes, including reviewing and submitting comments for the annual proposed budget;

- Providing input for the continuous improvement and refinement of UAA's planning and budgeting processes including budgeting principles and methodology;

- Ensuring meaningful participation by appropriate governance groups of our university community.

for budget processes including Administrative Reviews.

Members

The UAA Campus Planning Advisory Board shall be co-
